8	shubhamjaysurya sgidt@gmail.com	Thu, Jan 30, 8:19 AM	Why no merit list for PH category was declared ?	There were PH vacancies under EBC(4) SC(1) & ST (1) categories. As no PH candidate appeared for the final selection under these categories question does not arise for preparation of merit list for PH category .

11	Santosh Kumar	Fri, Jan 31, 10:21 PM	<p>Dear Sir, Greeting of the day I 'Santosh Kumar' had been shortlisted for the session of Group Discussion and personal Interview for the post of Young Professional at your organization and I have completed whole session successfully. As per the job advertisement of your organization, there were 57 seats for the post of Young Professional out of them 20 seats were reserved for SC category candidate. Now the result has been published but only 9 candidates out of 20 belonging to SC category have been shortlisted for final selection. Sir, I also belong to SC and Physically handicap category and I think I could qualify the exam but due to some of my mistakes, I could not qualify. There has not been mentioned anything about marking systems based on experience in JD. So, I didn't think necessary to issue my experience certificate from the organization where I have been working. Sir I have done my Master in Disaster Management from Tata Institute of Social Science, Mumbai and Immediately went to work with Yuva Rural Association Organization on a project of Drought Management. I worked there for 4 month and then after joined Chandragupt Institute of management Patna and currently working there on a post of Research Assistant. I also scored good marks in GD and personal interview but I couldn't achieve minimum qualifying marks because of absence of my experience certificate. Sir I full all the requirements for this post. Please give me a chance to submit my experience certificate do that I could gain minimum qualifying marks for this post.</p>	Documents submitted at the time of verification of documents will only be considered.

14	Apoorv Pandey	Feb 1, 2020, 8:07 PM	<p>I have 8.05 CGPA in qualifying exam (MBA), which is convertible to 76% by the university conversion norm, although it was allowed to write the qualification marks in CGPA figures itself, as CGPA and percentages are not equally scaled, it gives unfair advantage to students mentioning CGPA without converting to percentage. Kindly check that all the candidates are ranked according to single criteria i.e. either percentage or CGPA, and if percentage is mentioned it must be checked that it has been converted using valid and applicable university norms.</p>	<p>The CGPA figures were converted into percentage as per the conversions indicated in the transcript/certificates issued by the respective institutes.</p>								
15	akash deep, jimmiakash1998@gmail.com	Feb 2, 2020, 12:39 PM	<p>This is with reference to the results of Open Market recruitment of Young Professionals published on the website dated 29th, Jan, 2020. It is to bring to your kind notice that either the experience section of the candidates who get selected are left blank and has been given 10 marks or has been given more marks as compared to their years of experience. Even for the freshers with 0 years 0 day experience has been given 10 marks for the experience. Not only this one of the candidate named Hemant Kumar Mandal who was not shortlisted in the final list due to reason of incomplete form get selected in the merit list. Hence clarification regarding the following points is sought –</p> <ol style="list-style-type: none"> 1. What are the criteria for awarding marks on basis of experience? Any experience or only relevant experience is considered for evaluation? 2. Why the experience tenure of the certain candidates was left blank in the YP final shortlist published on your website dated 23rd Dec, 2019. 3. The candidates with blank experience column were given 10 marks in the final merit list 4. How a candidate who was not shortlisted in final shortlist get selected ? I am attaching the list of those candidates for your kind reference. In this regard my objection is on the transparency of the process for recruitment due to which many genuine candidates lost the opportunity . I request you to kindly look into the matter and do the needful. 	<p>1)</p> <table border="1" data-bbox="1230 655 1507 894"> <thead> <tr> <th>Work Experience (in Range)</th> <th>Score (Total=15)</th> </tr> </thead> <tbody> <tr> <td>0-1 years</td> <td>5</td> </tr> <tr> <td>1- 2years</td> <td>10</td> </tr> <tr> <td>2-3years</td> <td>15</td> </tr> </tbody> </table> <p>Post qualification relevant work experience has only been considered.</p> <ol style="list-style-type: none"> 2) The experience as filled by the candidates via form was verified at the time of document verification and only then further process was taken up. 3) No candidates with zero or blank experience was allotted 10 marks all the markings are based on the verification of documents(transcript/certificates, work experience certificates.) 4) No candidate who was not shortlisted in the final list has been selected. <p>In reference to your query related to Hemant Kumar Mandal you may refer to the final list of shortlisted candidates which was uploaded on 30-12-2019.</p>	Work Experience (in Range)	Score (Total=15)	0-1 years	5	1- 2years	10	2-3years	15
