Office Order

Process Flow of Cooption of left out SHGs promoted by NGOS

It is the mandate of SRLM that all pre-existing SHGs promoted by NGOs will come under SRLM fold. This will benefit the SHGs in their proper nurturing and capitalization. In this context, an advertisement has been published in the local newspaper informing all the NGOs to upload the left out SHG number in the database latest by 10.11.2014. In this exercise, a total of 36319 SHGs have been entered that needs to be screened and graded.

Further, in the line of cooption of SHGs formed, under the umbrella of SRLM, steps have been proposed which can be summarized below as-

1. District Project Manager of concerned district will convene a meeting with the NGO representative and take the SHG list from them.
2. This list will be submitted in the district committee formed for facilitating the integration of pre-existing SHG by NGOs and will be screened for any overlapping of entry.
3. After the first screening, a filed validation will be done by DPM. This will be done on the basis of approved guideline/ order no. - BRLPS/Project/316/12/3151, dated 13.09.13.
4. All mapped and validated SHGs will be uploaded in the NIC database.
5. The nurturing and capitalization of SHGs will be done as per the NRLM framework. The details are mentioned in the office order send to all DRDAs on 13.9.2013 (Ref. BRLPS/ Project/ 316/12/3151).
