OFFICE ORDER

The HRD manual of BRLPS provides for conducting Annual Performance Appraisal of project staff. On the basis of their performance, suitable grades are awarded to staff. Based on grades awarded, staff become eligible to receive "Annual Performance Pay".

The final grading based on Performance Appraisal of employees along with their respective performance pay is attached in this office order as **Annexure – 1, Annexure- 2, Annexure- 3**.

DPMs and all BPMs of respective BPIUs are directed to ensure calculation of performance pay as per the following guidelines:-

- 30 % of total amount of actual basic salary paid (during the period for which performance is appraised) if performance grade awarded is **A**.
- 20 % of total amount of actual basic salary paid (during the period for which performance is appraised) if performance grade awarded is **B**.
- 10 % of total amount of actual basic salary paid (during the period for which performance is appraised) if performance grade awarded is **C**.
- No performance pay would be paid if performance grade awarded is **D**.

Further, it is directed that disbursement of performance pay shall be made to employees within 7 days of receipt of the order. The DPMs would be the nodal person for ensuring payment of Annual Performance Pay in respective DPCU and all concerned BPIUs. For SPMU staffs SPM-HR will be nodal person.

Some of the employees have worked in more than one position and at more than one station. Performance Pay would be given for the positions and periods they held. However, payment would be made from present place of posting. For the purpose, the Office Assistant / Manager-HR will obtain salary statement of concerned staff from his/her earlier places of posting and accordingly Finance section will calculate the payable final Annual Performance Pay.

For those staff, who have been separated from BRLPS during the period under consideration, Annual Performance Pay would be disbursed from the place they worked last. Performance pay would not be paid to employees who have been terminated from the services of BRLPS.

Any employee who has resigned from one position and has joined the BRLPS at a different position and has been posted to some other district and his final settlement has already been closed from the previous district, his performance amount will be paid from the district where he last worked before resigning. After payout of the amount an acknowledgement needs to be sent to SPMU by the DPCU so that the same can be kept in the employee's personal file. If it's a recovery case then an intimation for adjusting the Performance Appraisal amount with the recovery amount needs to be sent to state, after due adjustment, approval/order will be sent from state to transfer the remaining amount if any to employee's account.

In case of inter district transfer on the same position, the performance pay will be paid from the current district after receiving the calculation for payable amount from the previous district.

DPMs are directed to submit the statement of final payment of Annual Performance Pay to SPMU within 03 days after the disbursement of the payment.
