### Office Order

The criteria for fixation of Salaryslab for newly recruited Accountants had been under consideration for some time.

Newly recruited Accountants are initially placed in the Probation Slab of salary. A Tally test on Accounting Software is organized internally to assess the competence of these Accountants. Those who pass the first test held subsequent to their joining are placed in the 1<sup>st</sup> slab from a date 6 months after to their joining BRLPS. Those who clear the test in 2<sup>nd</sup> or subsequent attempts are given 1<sup>st</sup> slab from the date of their passing the test.

Now it has been decided that those who pass the test on Tally Software in the 1<sup>st</sup> attempt would be placed in the 1<sup>st</sup> slab from the date of their joining the BRLPS. Those who clear the test in subsequent attempts would get 1<sup>st</sup> /proper slab from the date of their passing the test.

Those Accountants who do not clear the test even after 3<sup>rd</sup> attempt would not be retained in the Society.

This Office Order supersedes the earlier one issued vide this office Ref. No. BRLPS/Estt./989/14/3743, dated 07.01.2015 and will come into effect immediately.
