Office Order

A total of 135 BRLPS employees had been on deputation as SAP/BAP/PRP with other SRLMs. During the period on deputation their salary was paid by the respective borrowing SRLMs, thus BRLPS was not responsible for making the contribution towards their individual EPF.

Since provision of deduction of Employee's share towards EPF contribution and deposition of the same into respective employee's EPF account along with employer's share could not be incorporated in the MOU executed with the respective SRLMs, neither deputed employees nor the foreign employers (borrowing SRLMs) could fulfil this statutory requirement.

EPF Department has launched a scheme that provides opportunity to clear backlogs of deposits into individual account till 31-03-2017. To avail this opportunity and keeping provisions of Government of India, Memorandum, dated 15-02-2012 bearing No 6/8/2009-Estt.(Pay II), issued by the concerned authorities under the Department of Personnel & Training, Ministry of Personal, Public Grievances & Pensions (attached as **Annexure-1**), it had been decided to deposit the backlog of employees and employer's share in employees' respective EPF accounts and adjust the same from them subsequently.

BRLPS has already deposited amount equivalent to employer's share into individual EPF accounts of BRLPS employees deputed in Foreign Service to other SRLMs. The employees' share of Rs-1/- per year/per employee till Dec'16 will be deposited after receiving actual demand from the EPF department. The employees who had been or still on deputation in foreign service are hereby directed to deposit the amount as mentioned against their names as per **Annexure 2** into the account numbers, mentioned in **Annexure-3** against their names of the districts they are posted in or had been posted before being deputed to other SRLMs, in a maximum of five monthly instalments. Currently this amount is standing as advance against their names because the same has been deposited into their respective EPF accounts by the BRLPS already.
