Office Order

Drive for adjustment of advance at all levels of BRLPS is underway and direction has been issued not to pay salary of officials of BPIUs and DPCU where programme advance amount lying un-adjusted for more than 6-months had not been fully settled.

Some progress in this regard, is visible. However, there is need to continue this drive till pendency status of more than 6 months old advance is brought to Zero.

However, keeping important festival of Holi in consideration, the management of BRLPS has taken decision to release salary of officials up to January 2018 on basis of absentee of officials. However, DPCUs or BPIUs where 95% or more amount of advance as on 31.12.2017 has been adjusted, may release salary of officials up to February 2018. Meanwhile drive for adjustment of advance would continue and there would be no further relaxation in this regard till zero pendency status is achieved.

It is also made clear that during continuance of this drive, salary advance would not be allowed.
