### OFFICE ORDER

The HRD manual of BRLPS provides for conducting Annual Performance Appraisal of project staff. On the basis of their performance, suitable grades had been awarded to them for the year 2016-17. Based on grades awarded, employees become eligible to receive "Annual Performance Pay".

The final grading based on Performance Appraisal of employees along with their respective performance pay period is attached in this office order as **Annexure-1, Annexure-2 and Annexure-3**.

DPMs and all BPMs of respective BPIUs are directed to ensure calculation of performance pay as per the following criteria:

- **30 %** of total amount of basic salary actually paid (during the period for which performance is appraised) if performance grade awarded is **A**.
- **20 %** of total amount of basic salary actually paid (during the period for which performance is appraised) if performance grade awarded is **B**.
- **10 %** of total amount of basic salary actually paid (during the period for which performance is appraised) if performance grade awarded is **C**.
- No performance pay would be payable if performance grade awarded is **D**.

Young Professionals who joined in the Year 2016, (Batch 5), their Performance Appraisal for the period 2016-17 has been attached as **Annexure-3**.

Consolidated Performance Incentive will be calculated on pro-rata basis for the Young Professionals on the basis of following table.

Grade	Performance Pay (INR)
A	50000
B	40000
C	25000
D	Nil

Further, it is directed that disbursement of performance pay shall be made to employees within 7 days of receipt of the order. The DPMs would be the nodal person for ensuring payment of Annual Performance Pay in respective DPCUs and all concerned BPIUs. For SPMU staff SPM-HR will be nodal person.

Some of the employees have worked in more than one position and at more than one station. Performance Pay would be given for the positions and periods they held. However, payment would be made from present place of posting. For the purpose, the Office Assistant / Manager-HR will obtain salary statement of concerned staff from his/her earlier places of posting and accordingly Finance section will calculate the payable final Annual Performance Pay.

For those staff, who have been separated from BRLPS during the period under consideration, Annual Performance Pay would be disbursed from the place they worked last. Performance pay would not be paid to employees who have been terminated from the services of BRLPS.

Any employee who has resigned from one position and has joined the BRLPS at a different position and was posted to some other district and his final settlement has already been closed from the previous district, his performance pay amount will be paid from the district where he worked last before resigning. After payment of the amount an acknowledgement needs to be sent to the SPMU by the DPCU so that the same can be kept in the employees' personal file. If it's a recovery case, adjustment be done from the Performance payout.

In case of inter district transfer on the same position, the performance pay will be paid from the current district after receiving the calculation for payable amount from the previous district.

DPMs are directed to submit the statement of final payment of Annual Performance Pay to SPMU within 03 days of the disbursement of payout.
