Office Order

Plan & Budget for Convergence with the Department of Agriculture

The Convergence with the Department of Agriculture and the Directorate of Horticulture is an important strategy under farm intervention to increase the income of SHG members by decreasing the cost of production in farming. To facilitate seamless convergence with the line department a joint meeting was held on 16th Oct-2019 between JEEViKA and the Department of Agriculture along with Directorate of Horticulture under the chairmanship of the secretary, Agriculture, GoB. The following plan and budget is mentioned here for implementation of convergence program.

1. Districts will ensure the Establishment of Custom Hiring Center in convergence with local unit of Department of Agriculture and generate the application for CHC as well as ensure the online submission of CHC application to the District Agriculture office.
2. Custom Hiring Center will be established in CLF / FPOs under convergence with the Department of Agriculture. The CHC will be established as per the CHC policy office order No: BRLPS/Proj-LH/1172/17/3136 Dated: 04.11.17 and community procurement policy of BRLPS. Once the subsidy is received by the concerned CLF/VO, the advance received for the same would be returned and UC submitted for the rest to DPCU.
3. Family Drip Irrigation system will be procured by individual SHG members under convergence with Directorate of Horticulture. Online application will be generated with the assistance of concerned VRP/CC/AC/LHS at block level. Necessary follow up with concerned district level Horticulture / Agriculture officer for technical assistance and release of subsidy to be done by BPM at block level and DPM at District level. Detailed guideline for community drip irrigation will be issued shortly. Since Family drip irrigation is for individual farmer, there is no provision for release of fund from JEEViKA. SHG member who wishes to avail this scheme may directly apply online.
4. Community Drip irrigation system will be installed at CLF/Nodal VO where there is more concentration of land under cash crops for SHG members. Fund will be transferred to the concerned CBO from DPCU and later on when the subsidy amount is received from Directorate of Horticulture, the concerned CLF/VO will return the advance received for the same and submit UC for the rest to DPCU.
5. Poly Houses will be established in cluster based approach. One cluster will have five poly house units which should be installed at CLF/Nodal VO where there is more concentration of land under cash crops. Fund will be transferred to the concerned CBO from DPCU and later on when the subsidy amount is received from the Directorate of Horticulture, the concerned CLF/VO will return the advance received for the same and submit UC for the rest to DPCU. Detailed guideline regarding poly house will be issued shortly.

6. Seed production area will be developed in support from Department of agriculture in coordination with District Agriculture officer in which farmers will be supported with available budget for demonstration as mentioned in plan and budget given in **Annexure-I**.
7. Concerned DPMs /BPMs, Block Mentors and District Mentors will do close follow up at their levels. Block project Managers will be nodal person at the block level and DPM at district level for regular follow up from District Agriculture officer/District Horticulture officer after the application is submitted.
8. Manager-LH/In charge will share the block wise updated status of application submitted online with the department of agriculture website to SPMU in prescribed format as mentioned in Google form link <https://forms.gle/ganCQFDa8tx7Q2eE8> and <https://forms.gle/m25PYnXZhhDitT3PA> in the first week of each month. Also collect the data in hard copy at block level as attached in annexure-IIA & IIB.
9. Finance Manager will ensure regular follow up with BPIU regarding return of released subsidy to CBOs and ensure proper checks on the overall process before release of fund to the concerned CBOs. Before release of fund for CHC, community Drip Irrigation and poly house from DPCU to CLFs/VOs/FPOs finance manager will ensure sanction letter is release from DAO/DHO office and submitted along with forwarding letter of BPM.
10. Procurement manager will support block team and CBOs on timely procurement of equipments in CBOs as per procurement guideline of JEEViKA.
11. Detailed plan and budget is mentioned in annexure -I.
12. Generation of application and online enrolment of farmer profile on the website of Department of Agriculture/Directorate of Horticulture should be initiated immediately and the updated report should be shared with SPMU on regular basis.

Encl.: As above.
