OFFICE ORDER

BRLPS has made sincere efforts to bring women members under insurance cover and has been successful in providing coverage to 12.76 Lakhs SHG members under PMJJBY and similar number under PMSBY. BRLPS has implemented this policy for the first time and LIC has also implemented it for the first time through its Pension and Group Insurance wing. These were some technical hurdles in facilitating timely payments of death claims which has been resolved very recently. In order to have impact in terms of claim settlement, it is important that community is made aware of. **It is important and pertinent that all districts arrange a program on 5th or 6th March or latest by 7th March 2019 if dates of elections are not announced and model code of conduct does not get operational.** It is important that such gathering of people will also be helpful in making an environment for more coverage in next financial year which is approaching soon. Based on the above facts, following has been approved:

- Each district to conduct a program where CLF leaders will be present along with other community members as per the decision of the BPIU for insurance and tell them about the death claim settlement of PMJJBY and PMSBY done recently. The issue of pending death claim settlement can also be discussed and community members can be assured of all claim settlement very soon. They can be informed that technical bottlenecks have been resolved. **The budget for each program is Rs 30,000/- (inclusive for fooding+ travelling + miscellaneous).** Districts having up to 15 blocks will conduct 1 program and districts with more than 15 blocks can conduct 2 programs with budget of Rs 30,000/(Rs. Thirty Thousand Only) for each program.
- In case model code of conduct is made operational, the program can't be done.**
- The program has to be done on priority on 5th or 6th March'19. It can be done maximum till 7th March 2019.

05.03.19

- d) The program could have been done at the block level also but as the number of claim settlement doesn't belong to all BPIUs, **it will be useful to facilitate their get together at district level. They should be encouraged to increase the number of coverage and appeal should be made to cover their spouses as well.**
- e) Persons participating in the program should not cross 100. The budget of Rs 30000/- is for 100 people. **All districts are directed to make it a success and submit a one page report to CEO BRLPS with a copy to PC-FI and SPM Insurance. The report to reach by 10th March 2019. SPM Insurance to share the status of Insurance Program on 11th March 2019.**
- f) Family members of deceased person (nominee persons) need to be invited for the program and if possible beneficiaries of AABY also can be invited to share their experience. **But PMJJB & PMSBY members should certainly be invited as death settlement amount has been credited in their account.**
- g) DPMs have been delegated with responsibility to approve the additional expenditure upto Rs 10000/- for each program related to the above mentioned aspects related to insurance based on prudent judgment and need.
- h) CLF's can also be encouraged to share the information of claim settlement to all the members and can be encouraged to go to other CLF's as well for sharing the information.

By the order of CEO, BRLPS
