OFFICE ORDER

DBGB (Dakshin Bihar Gramin Bank) has been **instrumental in facilitating credit linkage to SHGs in a significant way**. It has led to promotion of livelihoods activities at the household level. One of the important aspects that will aid **the Sustainability is to ensure timely repayment and facilitate timely renewal of the credit linked accounts**. Based on the common discussion and agreement made with DBGB, it has been decided to observe **25th November 2020 as day of renewal of accounts with DBGB**. All districts (associated) with DBGB are required to put all energy for renewal of the credit linked account and **revive the expired limit aspect** and protect slippage of further accounts into expired category. Based on the facts mentioned above, **all DPMs and BPMs** associated with the Dakshin Bihar Gramin Bank are directed to act on following aspects on **25th November 2020**:

- Ensure that **one representative from project** is made to ensure presence in each of the branches of DBGB lying in the project area. In case there is shortage of staff, one person may be allocated 2 branches.
- The concerned BPM needs to visit all the branches on the scheduled day and ensure that submitted applications are punched by the branch manager that have been submitted for renewal.
- This is a drive and thus **all effort needs to be made for punching of the data in joint collaboration with branches**. In case of any problem faced, the matter needs to be reported to both district and "State Help Desk Team". SPM-MF (Mr. Manish-7544000607) will be leading the

initiative from SPMU with support of other members from FI team.

(d) **All the "Help Desk"** team members at block, district and SPMU need to utilize their time completely for the mentioned drive.

(e) In case required, further date will also be decided. However, it is desired and required that **around 6000 submitted applications for renewal** are punched in the data system of bank by bankers without fail. Proper coordination will be required by BPM, Manager-MF/CF, DPM and FI team members at SPMU.

The above aspects to be given highest and immediate priority.
