Office Order

Special Endorsement drive for identification of Ultra-Poor HHs involved in country liquor production, transportation & selling activities and SC/ST families under SJY

As per the previous office orders related to Special Endorsement drive for ultra-poor households was initiated in 434 Blocks of 38 Districts. It was observed that the BPIUs has not run the drive across all the Village Organizations. In this regard, it has been decided to undertake special drive for endorsement of toddy tappers, country liquor and SC/ST ultra-poor households in all the Village Organization across 100 New Blocks (list attached as annexure-1 (Part-a)) and 434 SJY Blocks (list attached as annexure-1 (Part-b)) from 5th April 2021 to 19th April 2021.

<u>The endorsement of the Ultra-Poor households will be carried out between 5th April' 2021 to 19th April' 2021 in all the 534 Blocks across 38 Districts.</u>

The Block Project Manager will be responsible for the endorsement of the Ultra Poor HHs under SJY and ensure that **eligible toddy tappers**, **country liquor and SC/ST ultra-poor households** are not left out. To ensure the same, s/he will be supported by the Area Coordinators, Livelihoods Specialist and Community Coordinators in the process.

The Block Project Manager supported by ACs, LHS and CCs will identify one Community Professional (CM/BK/MRP) who can read and write and 2 Village Organization leaders/committee members. Thus, there will be a 3 member team which will be identified and trained by the BPIU Team. The BPIU team may utilize experienced team where drive is already initiated.

The 3 member team will be involved in the endorsement of targeted HHs and also engage themselves in the endorsement of the households in the Village Organization. One team will be deployed in the area of one Village Organization. A series of activities need to be done in order to facilitate the movement and deployment of the team in field locations.

<u>Households Endorsement Phase (10th April to 19th April' 2020) – 5 DAY DRIVE IN ONE VILLAGE ORGANISATION</u>

Day 1: Special Meeting of VOs: Orientation of VO members on Satat Jeevikoparjan Yojana.

The Village Organization (VO) leaders and the concerned cadres will be provided with a one-day orientation on the SJY identification process, which will focus on the policy purpose of identifying the poorest of the poor left out of the mainstream SHG support or which are not able to fully realize benefits of SHG ecosystem due to extreme poverty, and highlighting where their support for these households could be helpful. The training will also provide an orientation to the specific task that the VO will be responsible in the SJY program. The oversight of the VO will ensure that the selection of beneficiaries is accurate and will eventually encourage a longer-term local support system for SJY beneficiaries, to graduate out of ultra-poverty. Annexure-2: overview content that each VO orientation should cover.

Responsibility: Block Project Manager

The BPM would be responsible for informing the date to the VOs and District Unit, arranging the venue and refreshments, and for allocating budget for the purpose. The ACs /CCs will be responsible for contacting VO members personally to remind them to attend the orientation training. The Area Coordinator will ensure presence of trained CF/MBKs/BK in the orientation of the Village Organizations.

Day 2, 3 and 4: Transect Walk and Listing of Households

The team members will conduct door to door visit and prepare two lists, attached as <u>Annexure 3</u>. The first list will provide the Households list which needs to be mobilized into the SHG fold. The second list will be of the Households to be mobilized into the SJY fold (which may or may not be SHG members) based on the criteria mentioned below:-

- 1. Ultra-Poor HHs traditionally/who has been earlier engaged in Toddy Tapping / Country Liquor business.
- 2. Ultra-poor HHs from SC, ST Communities.

In this regard, the team will fill a pre-defined form and based on the criteria, will declare eligibility of the Households to be part of SJY otherwise the Households will be listed as HHs to be mobilized into SHGs fold.

The listed Households to be visited by trained CF/MBKs/BK in all the villages and to certify that the listing has been done properly and no household has been left out of the list. The Area Coordinators /LHS / In charges should ensure that the list has been generated properly and the team has completed the door to door visit. The Area Coordinator will visit Toddy Tapper Cluster and SC/ST dominant tola to cross verify the report and submit the same to BPIU as per the Supervisor report. (attached as Annexure 4)

Note: The Area Coordinator/LHS/In charges will collect the first generated list of HHs which need to be mobilized into SHGs fold and share the same with BPM and DPM.

Responsibility: Area Coordinator /LHS/In charges

Day 5: Village Organization Oversight and Endorsement:

Finally, those households identified, and verified as ultra-poor and able to manage an asset, will be presented at the VO meeting, wherein the VO members can collectively veto any potentially erroneous inclusion if they have information that the included household is not in the extreme poor category and does not deserve to be provided benefits under SJY. The review of VO is necessary to ensure that beneficiaries selected for the SJY are ultra-poor, and to ensure that no HHs with extreme poverty has not been left out of this list. The VO can also collectively propose additional household/s to be included in the final list of the ultra-poor.

In such cases, the team will undertake needful household verification for such households to ensure adherence to criteria for inclusion. After VO Endorsement process, the CRP team will prepare the final list of identified ultra-poor households (Annexure 5-VO Endorsement format).

After completion of the endorsement process in the VO, respective VOs will certify that no any eligible Ultra Poor HH is left for endorsement under SJY in their respective service areas.

Responsibility: Block Project Manager

HH Endorsement Confirmation Phase (By 28th April' 2021)

After the endorsement of the Households as targeted HHs under SJY by the Village Organization, the BPIU should do a parallel check to ensure that beneficiaries selected for the SJY are ultra-poor and to be considered as the targeted HHs. The BPIU should organize a VO meeting only if the BPIU finds that the selection of any of the targeted HHs is to be reconsidered and the same has to be completed by 28th April 2021. The process will focus primarily on removing the selection errors, if any, in course of the CRP rounds. For this purpose, BPM may form a team consisting of ACs, LHS and CCs.
