Interest Subvention is a very ambitious scheme of NRLM to support SHG Bank Linkage and here, eligible SHGs are provided with the interest subvention amount as per the calculation done by the NRLM software on the basis of monthly SHGs loan and transactions files shared by the banks to NRLM.

The overall process to provide the subvention amount is as follows –

- Different banks share the SHGs loan files, transaction files and closed loan files to NRLM on monthly basis. And, the data is processed through SHG Bank Linkage software by NRLM. This branch wise data is available on the NRLM web portal.
- Interest Subvention calculation is done by the NRLM software for every SHG and is also available on the NRLM SHG Bank Linkage web portal.
- Now, the SRLM (at district level) identifies the branch wise SHGs being nurtured by them and mark it as 'NRLM Compliant' (The process of marking the SHGs as NRLM Compliant can be done on NRLM SHG Bank Linkage Portal through authorized district log in ID only). After being marked as NRLM compliant, the SHGs come under eligible SHGs list for payment of Interest Subvention amount as per the calculation done by the NRLM software. **The data of eligible SHGs for interest subvention amount are uploaded by the NRLM in a Phase wise manner** (a phase represents duration of fixed number of 3 months). Here, it is as follows –

S. N.	Phase	Corresponding FY
1	1 & 2	2013 – 14
2	3, 4, 5 and 6	2014 – 15
3	7, 8, 9 and 10	2015 – 16
4	11, 12, 13 and 14	2016 – 17
5	15, 16, 17 and 18	2017 – 18
6	19, 20, 21 and 22	2018 – 19
7	23, 24, 25 and 26	2019 – 20

- In Jeevika, to effectively follow the process for payment of Interest Subvention amount to eligible SHGs, firstly all the FI managers and FI consultants working at district level were provided with Two days training on Interest Subvention Process by the resource person from NRLM, in Patna in the month of December 2019. The participants also included the members of SPMU FI team and SPMU FI Help Desk Team. Over all concept of Interest Subvention, which also included report viewing and marking of SHGs as NRLM compliant, was discussed and practiced in the training. For better understanding and practice, district login IDs and password were handed over to the concerned FI Manager/ FI Manager in charge during the training and they started using it in the training itself.

- Following the training at SPMU, similar trainings were imparted to all BPMs and block mentors by the district FI team, frequently assisted by SPMU team during the months of January, February and March 2020.
- Afterwards, the district FI team branch wise marked the SHGs as NRLM compliant on the basis of RF data available at district level, data already shared by the branch or regional offices of banks.
- Simultaneously, the branch wise list of SHGs is sent to all BPMs for their consent about SHGs being nurtured by Jeevika. The BPMs distribute the branch wise list to concerned AC/CC in hard copy to verify the SHGs and maintain it at BPIU level. On the basis of affirmation given by AC/CC, the Consent list is prepared by the BPIU and shared to DPCU and consequently to SPMU (Simultaneously, branch wise Xerox of passbooks of SHG accounts are being updated and maintained at BPIU level). And, the branch wise/ block wise consent list affirming about the SHGs being nurtured by Jeevika is available and maintained in excel sheets at SPMU by the FI team.

Now, for the payment process the SRLM has to use the state login ID given by NRLM and download the phase wise data available for payment of Interest Subvention amount. **Here, using the state login ID and password, fresh Interest Subvention data were downloaded for Phases 15 to 25. Here, we have taken up the process and going to propose the IS amount payment for only Phases 15 to 25 only.** It is categorised so because of the time of uploading and format of data available on portal. **The interest subvention data for phases 1 to 14 is available in one similar format and data for phases 15 to 25 and onwards are available in another similar format; hence it is logical and convenient to work on both the parts separately to ensure accuracy in the process.** The process of payment for Phases 1 to 14 will also be taken up soon separately.

After downloading the SHG details, all accounts eligible for interest subvention amount in category II districts were matched and cross verified with the consent lists received from DPCUs/BPIUs. After having consent for all of them, it was matched and analysed with the downloaded lists of concerned districts and bank wise details for payment has been prepared.

The above details are for reference and information.
