Sub: Issues in Kaushal Bharat Portal about Placement Module.

Sir,

BRLPS (JEEVIKA), is implementing DDUGKY in Bihar with the support of Project Implementing Agencies (PIAs). Further, as per minutes of EC meeting dated 28.03.2022, SRLM Bihar has made it mandatory for all the PIAs to migrate all the data on Kaushal Bharat. All the instalments of DDUGKY and Roshni Projects are processed through Kaushal Bharat. **However, the inconsistency of Kaushal Bharat portal is delaying the process of instalment payment to the PIAs.**

With reference to above, I would like to draw your kind attention that, the placement verification process through Kaushal Bharat portal has been facing some issue of late. SRLM has to delete desk verification sample of **M/s Cross Winds Residency Pvt. Ltd.** twice in the month of **October and November 2022** and finally the desk verification sample was generated for the 3rd time in the month of November 2022.

Further, SRLM is also witnessing problem in calculation of success rate of placement through Kaushal Bharat. **The success rate of M/s Rama Infotech Private Limited and M/s Samvedna development Society was showing more than 70%.** Noticing the discrepancies SRLM raised a ticket but now the success rate calculated is not showing on Kaushal Bharat. These issues are delaying the process of instalment payment to PIA. **Role of SPOC may be further strengthened** in order to facilitate timely resolution by coordination with related stake holders including NIRDPR.

The Success rate of M/s Samvedna Development Society and M/s Rama Infotech Private Limited is being attached as Annexure -1.

It is requested to facilitate seamless functioning of Kaushal Bharat portal so that timely Payment of instalments to PIAs is ensured.

Enclosure: Annexure -1

Sincerely

(Rahul Kumar)
