OFFICE ORDER

To,

All DPMs

Subject: - Opening of the online portal to facilitate request of Transfer and posting through the **website of BRLPS (mis.brlps.in)**

Request applications for transfer had been received earlier on 2 occasions through online mechanism by SPMU. Some representation had also been received through hard copy directly to the SPMU/DPCU/BPIU offices of those people who could not apply online. **In order to give opportunity to such people as well who could not apply online, effort has been made to include their request.** However, it is made clear that all such people **who could not apply online or who have given written representation need to apply this time online.**

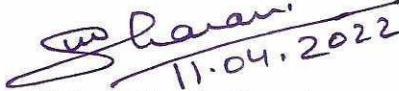

The transfer request made earlier through online mechanism remains valid unless and until there is some proposed change by any individual. **In case of any proposed change by people who have applied online before, they are required to apply again.** The last request will only be considered in such case.

The Proposed Online Window is being opened again for **period from 11th April to 18th April 2022.** All such people who need to apply should apply well before time and should not delay till the last date. Representation with serious reasons would be considered. Reasons like distance from the home town. Parents being old, education of children etc are not adequate enough for seeking transfer.

Every applicant should furnish at least 04 choices of places for posting after transfer. Please note that, though the window may remain open, only those representations will be considered which are received till 18th April 2022.

All the DPMs and BPMs need to ensure that this office order is shared with all project staffs and adequate support is provided in case of need to facilitate timely fill up.
