Office Order

Glass Bangle Intervention

Bihar Rural Livelihoods Promotion Society (JEEVIKA) has been pioneering in taking up the prohibition agenda among rural household. In the Bihar, the government has now decided to set up factories to make glass bangles out of seized liquor bottles through SHG members of JEEVIKA. Seized illegal liquor bottles during raids were earlier crushed and treated as garbage. But now these bottles will be given to JEEVIKA DIDIs, who will be trained in making glass bangles.

Nearly those women will earn ₹ 10000/ month. Initially JEEVIKA proposed Glass Bangle production centre in Patna. Later, if the plan succeeds, it'll be considered increasing the number of such glass bangle making factories in other parts of the State as well.

Madhugram Producer Company Limited will act as nodal organisation and support directly in the successful implementation of Glass Bangle Intervention for first three months.

Producer company will empanel a number of experts/resource person having experience in glass bangle manufacturing sector as per given experiences and the person will provide their services as per the requirement of CBOs. The process of hiring resource persons can be dealt under:

A. Resource Persons will fall under given categories:

S. No.	Category	Eligibility
1	Category - A	Minimum Graduate from related institute More than 5 years of working experience in same sector
2	Category - B	Minimum Graduate from related institute 0-5 years of working experience in same sector
3	Category - C	Minimum 5 years of experience in Glass Bangle Manufacturing process
4	Category - D	CBOs Members Must be expert in above mentioned process Must have good vocal and communication skills
