

I/36387/2022

Office Order

Aadhaar Digitisation

For proper monitoring of progress, BRLPS (Jeevika) has been focusing heavily on digitization at all levels. It has been observed that most of the indicators are not being digitized timely and therefore, reports are not being generated through MIS. As of now, the CBOs profiles (SHG, VO and CLF) are being digitized on regular basis, whereas, pace of digitization of Aadhaar data is slow. Aadhaar digitization has been a mandate given by NRLM for SHG Members.

Districts will take Aadhaar digitization drive from 1st Dec 22 to 31st Dec 22. DPMs will ensure to involve District and Block staffs to coordinate with identified Cadres in this process. In the month of Dec22, the target for Aadhaar digitization is **20 Lacs SHG members**.

The district team has to ensure the given timeline:

Sl. No.	Activities	Timeline
1	Aadhaar Digitisation of 20 lacs SHG members across State.	31 st December, 2022

DPMs have to ensure that the data is regularly punched and follow-up with blocks is conducted on daily basis. The reports of digitization will be refreshed daily in the evening. For any technical assistance, MIS team at SPMU will extend required support to the districts.

(Rahul Kumar)

Chief Executive Officer-cum-Mission Director
Bihar Rural Livelihoods Promotion Society
