Office Order

Rolling of Vision Building, Annual Action plan and Business Development Plan in Model CLFs

The project is working with 192 model CLFs spreading across 30 districts. The model CLFs are being capacitated so that they could be developed as self-reliant and financially sustainable organizations. These CLFs will act as Resource Pocket such that they will provide training, exposure and resource support to rest of the CLFs in other area.

In the mandate of NRLM vide letter no. J-11060/108/2017- RL- Part (1) (369313), there is plan to conduct extensive trainings on preparation of vision, AAP and BDP for Model CLFs.

Through these three different processes of visioning exercise, AAP and BDP preparation we are expecting to cover following outreach and output: -

- This process will develop and capacitate 130 resource pool at state and district units.
- It would be directly impacting around 3.7 lakhs women VO leadership of around 7680 VOs.
- Around 6720 CLF leaders from all 192 Model CLFs will go through this enriching process and further they
 will also be going through the intensive ToT process in batches to facilitate the 192 M-CLFs for their
 visioning, annual action plan and business development plan.

The primarily idea is to engage with this 192 MCLFs for their visioning, AAP and BDP process while taking the handful of experiences and also developing the state, district and women community resource pool to replicate it in other CLFs in some certain time frame.

The Process of Conduction of ToTs

ToT will be held in three phases which include Concept building, Vision building, Annual Action Plan and BDP preparation. Besides DPMs, district officials will also be oriented on the core concepts.
