OFFICE ORDER

Financial Mainstreaming of SHGs with Banks for credit leveraging is an important indicator for BRLPS. Financial leveraging from Banks provides impetus to the livelihood promotion of members associated with SHGs. During the Financial Year 2015-16, large numbers of groups have been credit linked with banks. It is important that credit linkage amount is withdrawn also from banks for investment by members as per their need. It is reported that credit off take from banks in terms of disbursement is low and requires effort for withdrawal. DPCUs are directed to act on it immediately and facilitate SHGs in withdrawing the amount from banks. A review of DPCUs will be done for assessing the disbursement from banks on 15th March and 30th March, 2016 respectively. The review will be done as per the following format:

Sl.No.	Name of District	No. of SHGs linked with banks during FY-2015-16	Total amount of credit linkage (In Crores)	No. of groups for which disbursement has been made	Total amount of disbursement (In Crores)

All DPMs are directed to design a strategy for withdrawal from banks and send a report to PC-FI on 15th March and 30th March 2016 respectively as per the format mentioned above.
