Sub: Regarding Security clearance issues faced by SHG members running AWASAR shop at JPNI Airport

Sir,

JEEVIKA SHG members are running the AWASAR outlet at Airport premises, which is a great opportunity for marketing of their products, by following all security and other norms of Airport.

Recently we have been informed that, the security rules has been changes and the members have to get issued paper pass for entrance every 4th day as it will be valid for only 3 days now. In this condition each member have to do this 5 time in their term of 15 days of outlet. The process is very timetaking and will take around half of the day, this will cause serious hamper in the productive time of counter sales and members income.

We are requesting you to:

1. Keep the pass timing at-least 15 days and
2. Allow 1 permanent member at stall to maintain the proper accounting, BoR and maintaining other aspects of the shop.

As this would be very helpful for them to exhibit and selling their products properly and profitably.

Yours Faithfully
