Office order regarding the Deworming drive

To enhance the income of SHG members, JEEViKA is implementing Goat Intervention with the objective of reducing mortality and morbidity and enhancing the productivity of goats by providing preventive and other services through Pashu Sakhis. Deworming and vaccination are important preventive measures for maintaining the proper health of goats reared by SHG members.

In this context, a **Deworming Drive has been initiated with effect from 1st August, 2026 and should be completed by 20th August, 2026 positively**, through all active Pashu Sakhis so as to ensure that goats are adequately dewormed prior to vaccination and are in an appropriate health condition for effective vaccination.

The following instructions shall be ensured by all concerned:

1. Deworming of goats reared by SHG members shall be undertaken by all the active Pashu Sakhis.
2. The deworming activity shall be undertaken in **drive mode**, ensuring maximum coverage of eligible goat-rearing households through all active Pashu Sakhis.
3. All concerned **Block Livestock Nodal** shall ensure timely mobilisation and placement of the demand for dewormer to ensure their availability and effective implementation of the Deworming Drive.
4. Pashu Sakhis shall ensure **daily entry of the deworming activity** in the designated application/reporting mechanism.
5. The concerned **Block Livestock nodal** shall regularly monitor the progress and ensure **daily reporting of the Deworming Drive to the DPCU team** and accordingly the **district livestock nodal should report to the SPMU team**.
6. The concerned BPMs shall ensure effective implementation of the deworming activity through Pashu Sakhis in all intervention villages.

All concerned are directed to ensure **strict compliance with the above instructions and timely completion of the Deworming Drive**.
