Roll out of Finance & Procurement ERP

BRLPS is moving towards Digital transformation and in the process several ERP applications and online portal has been rolled out. In the similar approach, Finance and procurement Modules are to be rolled out across State.

The payroll is being generated for last seven months from the ERP solution. The digitization related to financial data of FY 22-23 has to be completed in finance module by 31st March 23 so that the opening data of next FY 23-24 is available in the system.

Similarly, The procurement module has been made functional from 1st March 23. The digitization in procurement module has been initiated by districts. From 1st April 23, the procurement module to be properly rolled out across state.

It is hereby instructed to conduct the digitization in real time.

The concerned thematic heads will ensure the proper roll out of modules with timely digitization of data. DPMs to review on the digitization pace on these modules and on other modules already communicated through order number BRLPS/Proj-MIS/854/15 dated 14.03.2023.

MIS theme will provide the technical support in roll out of the modules.
