### OFFICE ORDER

Implementation of LokOS being mandated by NRLM in the state of Bihar through its letter no. J-11060/08/2019-RL-Part (3) (377421) dated 18<sup>th</sup> January'2022. LokOS is a software developed by NRLM as CBOs MIS. There is provision in the LokOS for entry of profile as well as transactional data of Self Help Groups (SHGs), Village organization (VOs) and Cluster level Federations (CLFs).

For implementation strategy for LokOS software, the capacity building process is required upto cadre (MBKs, Book-keeper, Community Mobilizers) level apart from staff and BPMs. The software includes the feature of maker and checker, hence training to above stakeholders is a prerequisite. After piloting in 2 Blocks, Marwan (Muzaffarpur) & Danapur (Patna) in 1<sup>st</sup> phase, approval has been accorded by competent authority to expedite it in 38 Blocks of 38 Districts in 2<sup>nd</sup> phase in this FY 2022-23.

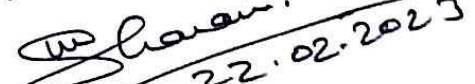

Now, the resource pool for block needs to be created at district level and thereby upto cadre level. Based on approval for 1 block per district, total block being 38 and 114 CLFs (3 CLFs per Block), approved budget cost by the competent authority of Rs. 57.12 Lacs for different level of training is as under:

Particular	Cost per participant (in Rs.)	No. of participant per batch	No. of day per batch	No. of Batch	Total Cost (Rs. In Lacs)
TOTs at SPMU Level	1500	40	4	1	2.4
District Resource Pool	800	40	3	38	36.48
Non residential training of cadres at CLF level	200	40	2	114	18.24
<b>Total Budgeted cost</b>	<b>(Fifty Seven Lakhs &amp; Twelve Thousands only)</b>				<b>57.12</b>

The expenditure will be booked under B 2 component of Institution & Capacity Building head under NRLM.

Annexure 1. List of Blocks approved by competent authority

By the Order of CEO, BRLPS
