ToR for procurement of Mobile Device Management Software

Background

Bihar Rural Livelihoods Project (BRLPS) is designed by Government of Bihar to address rural poverty in the state. The project aims at enhancing social and economic empowerment of the rural poor by creating self-managed community institutions and enhancing income through sustainable livelihoods generation. Currently, JEEViKA is implementing in 534 blocks with support from staff and cadres spread across the state.

BRLPS is operational in all the blocks of Bihar. More than 1.67 Crore rural poor families have been organized in more than 10.65 lacs SHGs, more than 70K Village Organizations (VOs) and more than 1600 Cluster Level Federations (CLFs) and the numbers are still increasing.

Currently, BRLPS has rolled out more than 50 Apps, ERPs, web portal etc. to monitor the interventions across themes in the entire State. These applications are used by staffs and cadres as per their roles and responsibilities. BRLPS has provided Tablets(Tabs) to its field functionaries Area Coordinators and Community Coordinators to ensure timely digitization of data and monitoring of the interventions. Therefore there is need to have MDM on each of those devices to ensure effective utilization of devices.

Objective

The objective is to hire an agency to provide the MDM for Tabs/Mobile devices and its maintenance for the defined period.

Current status:-

BRLPS has provided Tabs to Its field functionaries staffs specifically ACs and CCs at the Block level in the State of Bihar. The devices are being used by these users on daily basis. The need of the organization is to have a centralized solution like MDM to manage the Tabs remotely with features which allows the organization to ensure effective utilization of these tabs. Around 4000 tabs are used by the staffs now. All the tabs are android based. The brand of the tabs will vary so the MDM should be able work on multiple brands like Samsung, Lenovo, etc. with android operating system. Currently the number of tabs will be around 4000 functioning across State of Bihar. As BRLPS has conducted massive recruitment in multiple positions wherein more than 1100 new Acs and CCs may join soon. The number therefore will increase so the unit rate of MDM to be also quoted in the bid. As the new recruiters are expected to join soon so 4900 licenses of MDM will be procured and the rest procurement will be based on the same unit price upto 500 additional licenses. The rate will be valid till the validity of the contract.
