<b>NOTE:</b>									
In 13 assignment, H1 firms have been successful.									
In 03 assignments, H2 ranking firms have been successful as the firms who have been H1 in more than one assignment, have been made successful in one assignment as per provision contained in the EoI/RFP.									
04 assignments remain unallotted. All the four unallotted assignments have been allotted based on the provision contained in the published EoI (if no agency qualifies for any assignment, the award for that assignment may be given to the agency who has scored highest score in H2 status having lowest rate amongst all the 19 assignments).
