S.No.	Question Asked during Pre- Bid Meeting dated on 22.01.2024	Response of Question Asked during Pre-bid Meeting dated on 22.01.2024
1.	Do tenderers need to submit tenders in the format provided by FPC, or are they required to create their own format?	Bidders, if required by them can create their own format but the created format should be exactly as per the provided format, otherwise their bid will not be accepted.
2.	What are the terms and condition for payment?	Kindly refer to page 67 & 68, paragraph 3.1, 3.2, and 3.3 of the Open tender document for the Mustard oil processing unit in Begusarai.
3.	Should technical calculations be performed in a separate document, or can they be included in the same document?	This is a two-envelope procurement process. All the technical documents along with bid security will be submitted in one envelope and financial bid in separate envelope and both these envelopes would be kept in a big separate envelope.  Financial proposal submitted in technical document envelope will lead to rejection of the bid.
4.	Is it possible to obtain a secured Excel copy for cost calculation?	All calculation will be at your end, we are not able to provide any other sheet for calculation.
5.	Who bears the responsibility for paying the bid security?	Please consult page 10, specifically point 11.3 regarding Bid security, in the Open tender document for the Mustard oil processing unit in Begusarai.
6.	What is the specified limit percentage in INR for the performance bank guarantee?	Please consult page 10, specifically point 12 regarding performance security, in the Open tender document for the Mustard oil processing unit in Begusarai.
7.	Is price variation acceptable in the tender, or must tenderers adhere strictly to the provided quote?	It is clarified that no price variation is acceptable in this bid.
8.	When will FPC deduct money from a raised bill for return or refund, and what is the specified tenure for this process?	Kindly refer to page 68, paragraph 3.3 of the Open tender document for the Mustard oil processing unit in Begusarai.
